Dear Shoreline Faculty and Staff,

Welcome to the 2017-18 school year. A year ago, I was introducing myself to you all, and thanking you all for your warm welcome and kind wishes for success. I feel that 2016-17 was a great year and that we are going to build on that success in the coming year.

I am excited to welcome Amanda Massey, our new principal at Tomales Elementary and Bodega Bay School. She has been hard at work since June, getting ready for the new year. You all will have a chance to meet her at our Welcome Back Breakfast this year.

Speaking of the Welcome Back Breakfast, we will be meeting this year on Monday, August 21st at Tomales Elementary School (a paid workday for all staff). We will begin with coffee and a light breakfast at 8:00 AM, and then have our usual staff service recognition awards and introductions of new employees. After that, we will have some time to talk about our plans for this year, and how we will be building on the hard work of last year. There will be an opportunity for everyone to join our efforts to continue to improve our services to our students.

Afterwards, there will be time for our employee associations (CSEA and SEA) to meet regarding a number of topics. We will be done by noon.

As we make preparations for the new school year, I am, as always, available in the District Office. If you'd like to drop by for a conversation, I have an open door. Give me a call, or send me an email, just to make sure that I'm in the office. I really appreciate and enjoy talking with our SUSD teachers and staff.

Thank you for all you have done, and continue to do, for our students.

Warmly,

Bob Raines
Superintendent
