**BUDGET**

The Board of Trustees recognizes its critical responsibility for adopting a sound budget for each fiscal year which is aligned with the district's vision, goals, and priorities. The district budget shall guide administrative decisions and actions throughout the year and shall serve as a tool for monitoring the fiscal health of the district.

*(cf. 0000 - Vision)*

*(cf. 3000 - Concepts and Roles)*

*(cf. 3300 - Expenditures and Purchases)*

*(cf. 3460 - Financial Reports and Accountability)*

*(cf. 9000 - Role of the Board)*

The district budget shall show a complete plan and itemized statement of all proposed expenditures and all estimated revenues for the following fiscal year, together with a comparison of revenues and expenditures for the current fiscal year. The budget shall also include the appropriations limit and the total annual appropriations subject to limitation as determined pursuant to Government Code 7900-7914. (Education Code 42122)

**Budget Development and Adoption Process**

The Superintendent or designee shall establish an annual budget development process and calendar in accordance with the single budget adoption process described in Education Code 42127(i). He/she shall annually notify the County Superintendent of Schools of the district's decision to use the single budget adoption process in the subsequent year.

The budget that is formally adopted by the Board shall be in the format prescribed by the Superintendent of Public Instruction. The Superintendent or designee may supplement this format with additional information as necessary to effectively communicate the budget to the Board, staff, and public.

**Budget Advisory Committee**

The Superintendent or designee may appoint a budget advisory committee composed of staff, Board representatives, and/or members of the community.

**Budget Criteria and Standards**

In developing the district budget, the Superintendent or designee shall analyze criteria and standards adopted by the State Board of Education which address estimation of funded average daily attendance (ADA), projected enrollment, ratio of ADA to enrollment, projected revenue limit, salaries and benefits, other revenues and expenditures, facilities maintenance, deficit spending, fund balance, and reserves. The budget review shall also identify supplemental information regarding contingent liabilities, use of one-time revenues for ongoing expenditures, use of ongoing revenues for one-time expenditures, contingent revenues, contributions, long-term commitments, unfunded liabilities, and the status of labor agreements. (Education Code 33127, 33128, 33129; 5 CCR 15440-15451)

**BUDGET** (continued)

The Board shall establish and maintain a general fund reserve for economic uncertainty that meets or exceeds the requirements of law. (Education Code 33128.3; 5 CCR 15450)

The Board may establish other budget assumptions or parameters which may take into consideration the stability of funding sources, legal requirements and constraints on the use of funds, anticipated increases and/or decreases in the cost of services and supplies, categorical program requirements, and any other factors necessary to ensure that the budget is a realistic plan for district revenues and expenditures.

*(cf. 2210 - Administrative Discretion Regarding Board Policy)*

*(cf. 3110 - Transfer of Funds)*

**Fund Balance**

The district shall classify fund balances in compliance with Governmental Accounting Standards Board (GASB) Statement 54, as follows:

1. *Nonspendable fund balance* includes amounts that are not expected to be converted to cash, such as resources that are not in a spendable form (e.g., inventories and prepaids) or that are legally or contractually required to be maintained intact.
2. *Restricted fund balance* includes amounts constrained to specific purposes by their providers or by law.
3. *Committed fund balance* includes amounts constrained to specific purposes by the Board.

For this purpose, all commitments of funds shall be approved by a majority vote of the Board. The constraints shall be imposed no later than the end of the reporting period of June 30, although the actual amounts may be determined subsequent to that date but prior to the issuance of the financial statements.

4. *Assigned fund balance* includes amounts which the Board or its designee intends to use for a specific purpose.

The Board delegates authority to assign funds to the assigned fund balance to the Superintendent or designee and authorizes the assignment of such funds to be made any time prior to the issuance of the financial statements.

5. *Unassigned fund balance* includes amounts that are available for any purpose.

When multiple types of funds are available for an expenditure, the district shall first utilize funds from the restricted fund balance as appropriate, then from the committed fund balance, then from the assigned fund balance, and lastly from the unassigned fund balance.

**BUDGET** (continued)

To protect the district against unforeseen circumstances such as revenue shortfalls and unanticipated expenditures, the Board intends to maintain a minimum unassigned fund balance which includes a reserve for economic uncertainties equal to at least two months of general fund operating expenditures, or 17 percent of general fund expenditures and other financing uses.

If the unassigned fund balance falls below this level due to an emergency situation, unexpected expenditures, or revenue shortfalls, the Board shall develop a plan to recover the fund balance which may include dedicating new unrestricted revenues, reducing expenditures, and/or increasing revenues or pursuing other funding sources.

**Long-Term Financial Obligations**

The district's current-year budget and multi-year projections shall include adequate provisions for addressing the district's long-term financial obligations, including, but not limited to, long-term obligations resulting from collective bargaining agreements, financing of facilities projects, unfunded or future liability for retiree benefits, and accrued workers' compensation claims.

*(cf. 4141/4241 - Collective Bargaining Agreement)*

*(cf. 4143/4243 - Negotiations/Consultation)*

*(cf. 4154/4254/4354 - Health and Welfare Benefits)*

*(cf. 7210 - Facilities Financing)*

*(cf. 9250 - Remuneration, Reimbursement and Other Benefits)*

The Board shall approve a plan for meeting the district's long-term obligations to fund nonpension, other postemployment benefits (OPEBs). This plan shall include a specific funding strategy and the method that will be used to finance the district's annual fiscal obligations for such benefits in a manner that continually reduces the deficit to the district to the extent possible. The Board reserves the authority to review and amend the funding strategy as necessary to ensure that it continues to serve the best interests of the district and maintains flexibility to adjust for changing budgetary considerations.

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of OPEBs, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve a sufficient amount of money in its budget to fund the present value of the benefits of existing retirees and/or the future cost of employees who are eligible for benefits in the current fiscal year. (Education Code 42140)

When the Superintendent or designee presents a report to the Board on the estimated accrued but unfunded cost of workers' compensation claims, the Board shall disclose, as a separate agenda item at the same meeting, whether or not it will reserve in the budget sufficient

**BUDGET (continued)**

amounts to fund the present value of accrued but unfunded workers' compensation claims or if it is otherwise decreasing the amount in its workers' compensation reserve fund. The Board shall annually certify to the County Superintendent the amount, if any, that it has decided to reserve in the budget for these costs. The Board shall submit to the County Superintendent any budget revisions that may be necessary to account for this budget reserve. (Education Code 42141)

**Budget Amendments**

Whenever revenues and expenditures change significantly throughout the year, the Superintendent or designee shall recommend budget amendments to ensure accurate projections of the district's net ending balance. When final figures for the prior-year budget are available, this information shall be used as soon as possible to update the current-year budget's beginning balance and projected revenues and expenditures.

In addition, budget amendments shall be submitted for Board approval when the state budget is adopted, collective bargaining agreements are accepted, district income declines, increased revenues or unanticipated savings are made available to the district, program proposals are significantly different from those approved during budget adoption, interfund transfers are needed to meet actual program expenditures, and/or other significant changes occur that impact budget projections.

*(cf. 3350 - Travel Expenses)*

**BUDGET** (continued)

**Initial Budget Adoption**

On or before July 1 of each year, the Board shall adopt a budget which adheres to the state's standardized account code structure (SACS) as prescribed by the Superintendent of Public Instruction (SPI). (Education Code 42126, 42127)

Before adopting the district budget for the subsequent fiscal year, the Board shall hold a public hearing. The agenda for this hearing shall be posted at least 72 hours before the hearing and shall indicate the location where the budget may be inspected. The proposed budget shall be available for public inspection at least three working days before this hearing. (Education Code 42103, 42127)

*(cf. 9320 - Meetings and Notices)*

*(cf. 9322 - Agenda/Meeting Materials)*

The Superintendent or designee shall notify the County Superintendent of Schools of the location, dates, and times at which the proposed budget may be inspected, as well as the location, date, and time of the public hearing, in sufficient time for the County Superintendent to publish such information in a newspaper of general circulation at least 10 days but not more than 45 days before the hearing.

During the hearing, any district resident may speak to the proposed budget or to any item in the budget. The hearing may conclude when all residents who have requested to be heard have had the opportunity to speak. (Education Code 42103)

*(cf. 9323 - Meeting Conduct)*

The Superintendent or designee shall file the adopted budget with the County Superintendent no later than five days after adoption or by July 1, whichever occurs first. The budget and supporting data shall be maintained and made available for public review. (Education Code 42127)

*(cf. 1340 - Access to District Records)*

**Revised Budget**

No later than 45 days after the Governor signs the annual Budget Act, the Superintendent or designee shall make available for public review any revisions in budgeted revenues and expenditures which are consequently necessary. (Education Code 42127)

If the County Superintendent disapproves the district's budget, the Board shall review and respond to his/her recommendations at a public meeting on or before September 8. The response shall include any revisions to the adopted budget and any other proposed actions to be taken as a result of those recommendations. (Education Code 42127)

**BUDGET** (continued)

**Budget Review Committee for Disapproved Budgets**

If the district's revised budget is disapproved by the County Superintendent, the budget shall be reviewed by a budget review committee, unless the Board and County Superintendent agree to waive the requirement and the California Department of Education accepts the waiver. (Education Code 42127)

This committee shall consist of either: (Education Code 42127.1, 42127.2)

1. Three persons selected by the Board from a list of candidates provided by the SPI, who shall be selected within five working days after receiving the list of candidates
2. A regional review committee convened by the County Superintendent with the approval of the Board

If the budget review committee recommends disapproval of the district budget, the Board may submit a response no later than five working days after receipt of the committee's report. If the SPI disapproves the district budget after reviewing the committee's report and the district's response, the Board shall consult with the County Superintendent as he/she develops and adopts, by November 30, a fiscal plan and budget that will allow the district to meet its financial obligations. For the current fiscal year, the district shall operate in accordance with the budget adopted by the County Superintendent. (Education Code 42127.3)

Until the district receives approval of its budget, it shall continue to operate either on the basis of the prior year's budget or on the basis of the current year's unapproved budget as adopted and revised by the Board, whichever budget contains a lower total spending authority. (Education Code 42127.4)

**TRANSFER OF FUNDS**

**Cautionary Notice:** AB 97 (Ch. 47, Statutes of 2013) repealed Education Code 42605, which provided temporary flexibility for specified "Tier 3" categorical programs, and instead redirects the funding for those categorical programs into the Local Control Funding Formula (LCFF) (Education Code 42238.01-42251). The supplemental and concentration grant portions of the LCFF may be used for any schoolwide or districtwide educational purpose in accordance with state regulations to be adopted by January 31, 2014, with a goal of increasing or improving services for English learners, foster youth, and students eligible for free and reduced-price meals. Certain requirements related to Tier 3 categorical program(s) in the following policy or regulation are no longer applicable.

The Board of Trustees recognizes its responsibility to monitor the district's fiscal practices to ensure accountability regarding the expenditure of public funds and compliance with legal requirements.

*(cf. 3100 - Budget)*  
*(cf. 3400 - Management of District Assets/Accounts)*  
*(cf. 3460 - Financial Reports and Accountability)*

The Board may transfer funds during or at the end of the fiscal year in accordance with law as necessary to meet district needs or to permit the payment of district obligations. (Education Code 16095, 17582-17592, 42600-42603, 42605, 42841-42843, 52616.4)

**Tier 3 Categorical Flexibility**

The Board has determined that it is in the best interest of the district to utilize the flexibility authorized for the use of categorical program funds under Education Code 42605. Funds received by the district for any program identified by law as a Tier 3 categorical program may be expended for any educational purpose.

*(cf. 2210 - Administrative Discretion Regarding Board Policy)*

Before expending any Tier 3 categorical program funds for another educational purpose, the Board shall hold a public hearing to take testimony from the public, to discuss and approve or disapprove the proposed use of the funding, and to make explicit for each of the categorical programs the purposes for which the funds will be used. (Education Code 42605)

Any such public hearing shall be held prior to and independent of the Board's regular budget-adoption meeting. Whenever the proposed use of the funding will result in the elimination of a program, the notice of the public hearing shall identify the program to be eliminated. (Education Code 42605)

During the hearing, the Board shall consider the district's goals for student learning and determine funding priorities and program focus. The Board may also discuss statutory constraints, available resources, and whether program modifications might improve educational outcomes.

**TRANSFER OF FUNDS** (continued)

The Superintendent or designee shall regularly report to the Board regarding how the district is exercising the flexibility and whether the desired results are being achieved. He/she shall also complete any necessary reports required by the California Department of Education.

**SALE AND DISPOSAL OF BOOKS, EQUIPMENT AND SUPPLIES**

**Personal Property**

The district may sell surplus or obsolete district-owned personal property through any of the following methods:

1. The Superintendent or designee may advertise for bids by posting a notice in at least three public places in the district for at least two weeks, or by publishing a notice at least once a week for at least two weeks in a newspaper having a general circulation in the district and, if possible, publishing within the district. The district shall sell the property to the highest responsible bidder or shall reject all bids. (Education Code 17545)

Property for which no qualified bid has been received may be sold, without further advertising, by the Superintendent or designee. (Education Code 17546)

*(cf. 3311 - Bids)*

2. The property may be sold by means of a public auction conducted by district employees, employees of other public agencies, or by contract with a private auction firm. Notice related to the auction shall be posted or published as described in item #1 above. (Education Code 17545)
3. The district may sell the property without advertising for bids under any of the following conditions:
  - a. The Board of Trustees members attending a meeting unanimously agree that the property, whether one or more items, does not exceed \$2,500 in value. (Education Code 17546)

*(cf. 9323.2 - Actions by the Board)*

- b. The district sells the property to agencies of federal, state, or local government, to any other school district, or to any agency eligible under the federal surplus property law (40 USC 484 renumbered 40 USC 549) and the sale price equals the cost of the property plus the estimated cost of purchasing, storing, and handling. (Education Code 17540)
- c. The district sells or leases the property to agencies of the federal, state, or local government or to any other school district and the price and terms of the sale or lease are fixed by the Board and approved by the County Superintendent of Schools. (Education Code 17542)

**SALE AND DISPOSAL OF BOOKS, EQUIPMENT AND SUPPLIES** (continued)

If the Board members attending a meeting unanimously find that the value of the property is insufficient to defray the costs of arranging a sale, the property may be donated to a charitable organization deemed appropriate by the Board or may be disposed of by dumping. (Education Code 17546)

Money received from the sale of surplus property shall be either deposited in the district reserve or general fund or credited to the fund from which the original purchase was made. (Education Code 17547)

**Instructional Materials**

Surplus or undistributed obsolete instructional materials that are usable for educational purposes may be sold by the district, in which case all of the proceeds of the sale shall be available to acquire basic instructional materials, supplemental instructional materials, or technology-based materials. (Education Code 60510, 60510.1, 60521)

*(cf. 0440 - District Technology Plan)*

*(cf. 6161.1 - Selection and Evaluation of Instructional Materials)*

*(cf. 6161.11 - Supplementary Instructional Materials)*

*(cf. 6163.1 - Library Media Centers)*

Such materials also may be donated to another district, county free library, or other state institution; a United States public agency or institution; a nonprofit charitable organization; or children or adults in California or foreign countries for the purpose of increasing the general literacy of the people. Any organization, agency, or institution receiving obsolete instructional materials donated by the district shall certify to the Board that it agrees to make no charge to any persons to whom it gives or lends these materials. (Education Code 60510, 60511)

At least 60 days before selling or donating surplus or obsolete instructional materials, the Superintendent or designee shall notify the public of the district's intention to do so through a public service announcement on a local television station, in a local newspaper, or by another means he/she believes will most effectively reach the entities described above. The Board shall also permit representatives of these entities and members of the public to address the Board regarding the distribution of these materials.

*(cf. 9323 - Meeting Conduct)*

Surplus or undistributed obsolete instructional materials which are unusable or which cannot be distributed as specified above may be disposed of by either of the following: (Education Code 60530)

1. Mutilated so as not to be salable and sold for scrap at the highest obtainable price

**SALE AND DISPOSAL OF BOOKS, EQUIPMENT AND SUPPLIES** (continued)

2. Destroyed by any economical means, provided that the materials are not destroyed until at least 30 days after the district has given notice to all persons who have filed a request for such notice

*(cf. 3510 - Green School Operations)*

*(cf. 3511.1 - Integrated Waste Management)*

**Replacement of School Buses**

Upon receiving a state apportionment for the replacement of a school bus, the Board may sell the bus that is being replaced to another California school district if the following conditions are met: (Education Code 42303)

1. The other district is replacing a bus that is in service and has not been designated a temporary school bus pursuant to Education Code 42291.5.
2. The bus being replaced by the other district is older than the bus that is being sold by this district.
3. The bus being replaced by the other district is not sold to a third school district.
4. The other district, by Board resolution, holds the state and this district harmless for any liability that may result from the bus that this district is selling.
5. The proceeds from the sale of the bus shall be used by this district for home-to-school transportation purposes.

*(cf. 3540 - Transportation)*

6. Before the sale is finalized, the bus being sold is in compliance with all relevant provisions of the Vehicle Code and Title 13 of the California Code of Regulations.

**SALE OR LEASE OF DISTRICT-OWNED REAL PROPERTY**

The Board of Trustees believes that the district should utilize its facilities and resources in the most economical and practical manner. The Superintendent or designee shall periodically study the current and projected use of all district facilities to ensure the efficient utilization of space and the effective delivery of instruction.

*(cf. 1330 - Use of School Facilities)*  
*(cf. 7110 - Facilities Master Plan)*  
*(cf. 7111 - Evaluating Existing Buildings)*  
*(cf. 7160 - Charter School Facilities)*

Upon determination that district property is no longer needed or may not be needed until some future time, the Board shall offer to sell or lease district-owned real property in accordance with priorities and procedures specified in law, including, but not limited to, Education Code 17230, 17464, 17485-17500, and Government Code 54222.

*(cf. 5148 - Child Care and Development)*  
*(cf. 5148.2 - Before/After School Programs)*  
*(cf. 5148.3 - Preschool/Early Childhood Education)*

Prior to the sale or lease of any surplus real property, the Board shall appoint a district advisory committee to advise the Board regarding the use or disposition of schools or school building space which is not needed for school purposes. (Education Code 17388)

*(cf. 1220 - Citizen Advisory Committees)*

**Resolution of Intention to Sell or Lease**

Before ordering the sale or lease of any real property, the Board shall adopt a resolution by a two-thirds vote of all of its members at a regular, open meeting. The resolution shall describe the property proposed to be sold or leased in such a manner as to identify it, specify the minimum price or rent, describe the terms upon which it will be sold or leased, and specify the commission or rate, if any, which the Board will pay to a licensed real estate broker out of the minimum price or rent. The resolution shall fix a time, not less than three weeks thereafter, for a public meeting, held at the Board's regular meeting place, at which sealed proposals to purchase or lease will be received and considered. (Education Code 17466)

*(cf. 9323.2 - Actions by the Board)*

The Superintendent or designee shall provide notice of the adoption of the resolution and of the time and place of the meeting that will be held to consider bids by posting copies of the resolution, signed by the Board, in three public places not less than 15 days before the date of the meeting. In addition, the notice shall be published at least once a week for three successive weeks before the meeting, in a newspaper of general circulation published in the county in which the district is located, if such a newspaper exists. (Education Code 17469)

## **SALE OR LEASE OF DISTRICT-OWNED REAL PROPERTY (continued)**

The Superintendent or designee shall take reasonable steps to provide notification to the former owners of the property of the district's intent to sell it in accordance with Education Code 17470.

### **Acceptance/Rejection of Bids**

At the public meeting specified in the resolution of intention to sell or lease property, the Board shall open, examine, and declare all sealed bids. Before accepting any written proposal, the Board shall call for oral bids in accordance with law. (Education Code 17472, 17473)

The Board may reject any and all bids, either written or oral, and withdraw the properties from sale when the Board determines that rejection is in the best public interest. If no proposals are submitted or the submitted proposals do not conform to all the terms and conditions specified in the resolution of intention to lease, the Board may lease the property in accordance with Education Code 17477. (Education Code 17476, 17477)

Of the proposals submitted by responsible bidders which conform to all terms and conditions specified in the resolution of intention to sell or lease, the Board shall finally accept the highest bid after deducting the commission, if any, to be paid to a licensed real estate broker, unless the Board accepts a higher oral bid or rejects all bids. (Education Code 17472)

The final acceptance of the bid may be made either at the same meeting specified in the resolution or at any adjourned/continued meeting held within 10 days. Upon acceptance of the bid, the Board may adopt a resolution of acceptance that directs the Board president, or any other Board member, to execute the deed or lease and to deliver the document upon performance and compliance by the successful bidder of all of the terms and conditions of the contract. (Education Code 17475-17478)

*(cf. 1431 - Waivers)*

*(cf. 9320 - Meetings and Notices)*

### **Use of Proceeds**

The Superintendent or designee shall ensure that proceeds from the sale or lease with an option to purchase of district surplus property are used in accordance with law. (Education Code 17462; 2 CCR 1700)

*(cf. 3100 - Budget)*

*(cf. 3460 - Financial Reports and Accountability)*

Pursuant to the authorization in Education Code 17463.7, the district may expend proceeds from the sale of surplus real property, along with the proceeds from any personal property

**SALE OR LEASE OF DISTRICT-OWNED REAL PROPERTY** (continued)

located on that real property, for any one-time general fund purpose(s). Prior to exercising this authority, the Board shall certify to the State Allocation Board that: (Education Code 17463.7)

1. The district has no major deferred maintenance requirements not covered by existing capital outlay resources.

*(cf. 3111 - Deferred Maintenance Funds)*

2. The sale of real property pursuant to Education Code 17463.7 does not violate the provisions of a local bond act.

*(cf. 7214 - General Obligation Bonds)*

3. The real property is not suitable to meet projected school construction needs for the next 10 years.

Prior to exercising this authority, the Superintendent or designee shall present to the Board, at a regularly scheduled meeting, a plan for expending these one-time resources. The plan shall identify the source and use of the funds and shall describe the reasons that the expenditure shall not result in ongoing fiscal obligations for the district. (Education Code 17463.7)

**GIFTS, GRANTS AND BEQUESTS**

The Board of Trustees may accept any gift, grant, or bequest of money, property, or service to the district from any individual, private agency or organization, or other public agency that desires to support the district's educational program. While greatly appreciating suitable donations, the Board shall reject any gift which may directly or indirectly impair its authority to make decisions in the best interest of district students or its ability or commitment to provide equitable educational opportunities.

*(cf. 0100 - Philosophy)*  
*(cf. 0200 - Goals for the School District)*  
*(cf. 0410 - Nondiscrimination in District Programs and Activities)*

If the Board believes the district will be unable to fully satisfy the donor's conditions, the gift shall not be accepted.

*(cf. 0000 - Vision)*

In addition, the Board shall ensure that acceptance of the gift, grant, or bequest does not:

1. Involve creation of a program which the Board would be unable to sustain when the donation is exhausted
2. Entail undesirable or excessive costs
3. Promote the use of violence, drugs, tobacco, or alcohol or the violation of any law or district policy

*(cf. 5131.6 - Alcohol and Other Drugs)*

The Board may show appreciation for any donation to the district in any manner it deems appropriate. Such appreciation may take the form of letters of recognition or Board resolutions; plaques, commendations, or awards; planting of commemorative trees or gardens; or naming or renaming of buildings, grounds, or facilities. Conferment of any such honor shall be in accordance with applicable Board policy.

*(cf. 1150 - Commendations and Awards)*

*(cf. 7310 - Naming of Facility)*

### **Corporate Sponsorship**

The Board may enter into an agreement or arrangement with an outside entity for the sponsorship of an educational, athletic, or other program or activity. *(cf. 1113 - District and School Web Sites)*

*(cf. 1700 - Relations Between Private Industry and the Schools)*

*(cf. 3312 - Contracts)*

Every sponsorship agreement shall be in writing and shall be approved by the Board. The Board shall ensure that the district's relationship and arrangement with the sponsor are consistent with the district's mission, values, and goals. Any advertising or promotional message, image, or other depiction to be used by the sponsor shall meet the standards set for commercial advertising on district property and in district-sponsored publications. No message, image, or other depiction that promotes the use of obscene language, pornography, alcohol, tobacco, or prohibited drugs or that advocates unlawful discrimination, use of violence, or the violation of law or district policy shall be allowed.

**GIFTS, GRANTS AND BEQUESTS (continued)**

Each sponsorship agreement shall contain statements including, but not limited to:

1. The purpose of the relationship with the sponsor, details of the benefits to the district, and how the benefits will be distributed.
2. The duration of the agreement and the roles, expectations, rights, and responsibilities of the district and the sponsor, including whether and to what extent the sponsor is allowed to advertise or promote its products and/or services.
3. The authority of the Board to retain exclusive right over the use of the district's name, logo, and other proprietary information. The sponsor's use of such information shall require prior approval of the Board.
4. The authority of the Board to terminate the agreement without any penalty or sanction to the district if the sponsor's message, business, or product becomes inconsistent with district vision, mission, or goals or the sponsor engages in any prohibited activity.
5. The prohibition against the collection of students' personal information except as allowed by law.

**BIDS**

The Board of Trustees is committed to promoting public accountability and ensuring prudent use of public funds. In leasing or purchasing equipment, materials, supplies, or services for the district and when contracting for public projects involving district facilities, the Board shall explore lawful opportunities to obtain the greatest possible value for its expenditure of public funds. When required by law, or if the Board determines that it is in the best interest of the district, such leases and purchases shall be made using competitive bidding.

*(cf. 0410 - Nondiscrimination in District Programs and Activities)*

*(cf. 3000 - Concepts and Roles)*

*(cf. 3300 - Expenditures and Purchases)*

The Superintendent or designee shall establish comprehensive bidding procedures for the district in accordance with law. The procedures shall include a process for advertising bids, instructions and timelines for submitting and opening bids, and other relevant requirements.

No work, project, service, or purchase shall be split or separated into smaller work orders or projects for the purpose of evading the legal requirements of Public Contract Code 20111-20118.4. (Public Contract Code 20116)

When calling for bids, the Superintendent or designee shall ensure that the bid specification clearly describes in appropriate detail the quality, delivery, and service required and includes all information which the district knows, or has in its possession, that is relevant to the work to be performed or that may impact the cost of performing the work.

The Superintendent or designee shall develop the procedures to be used for rating bidders for award of contracts which, by law or Board policy, require prequalification. The procedures shall identify a uniform system for rating bidders and shall address the issues covered by the standardized questionnaire and model guidelines developed by the Department of Industrial Relations pursuant to Public Contract Code 20101.

*(cf. 9270 - Conflict of Interest)*

Except as authorized by law and specified in the administrative regulation, contracts shall be let to the lowest responsible bidder who shall give such security as the Board requires, or else all bids shall be rejected. (Public Contract Code 20111)

When the Board has determined that it is in the best interest of the district, the district may piggyback onto the contract of another public agency or corporation to lease or purchase equipment or supplies to the extent authorized by law. (Public Contract Code 20118)

**BIDS**

**Advertised/Competitive Bids**

The district shall advertise for competitive bids to let any public project contract involving an expenditure of \$15,000 or more. *Public project* means construction, reconstruction, erection, alteration, renovation, improvement, painting, repainting, demolition, and repair work involving a district owned, leased, or operated facility. (Public Contract Code 20111, 22002)

The district shall also seek competitive bids through advertisement for contracts exceeding the amount specified in law, as annually adjusted by the Superintendent of Public Instruction, for any of the following: (Public Contract Code 20111)

1. The purchase of equipment, materials, or supplies to be furnished, sold, or leased to the district
2. Services, not including construction services or special services and advice in accounting, financial, legal, or administrative matters
3. Repairs that are not a public project, including maintenance

*Maintenance* means routine, recurring, and usual work for preserving, protecting, and keeping a district facility operating in a safe, efficient, and continually usable condition for the intended purpose for which it was designed, improved, constructed, altered, or repaired. *Maintenance* includes, but is not limited to, carpentry, electrical, plumbing, glazing, and other craft work designed to preserve the facility, as well as repairs, cleaning, and other operations on machinery and other permanently attached equipment, but does not include painting, repainting, or decorating other than touchup, or among other types of work, janitorial or custodial services and protection provided by security forces. (Public Contract Code 20115)

**Instructions and Procedures for Advertised Bids**

The Superintendent or designee shall call for bids by placing a notice at least once a week for two weeks in a local newspaper of general circulation published in the district, or if no such newspaper exists, then in some newspaper of general circulation circulated in the county. The Superintendent or designee also may post the notice on the district's web site or through an electronic portal. The notice shall state the work to be done or materials or supplies to be furnished and the time and place and web site where bids will be opened. The district may accept a bid that has been submitted electronically or on paper. (Public Contract Code 20112)

*(cf. 1113 - District and School Web Sites)*

**BIDS** (continued)

The notice shall contain the time, date, and location of any mandatory prebid conference, site visit, or meeting. The notice shall also detail when and where project documents, including the final plan and specifications, are available. Any such mandatory visit or meeting shall occur not less than five calendar days after the publication of the initial notice. (Public Contract Code 6610)

Bid instructions and specifications shall include the following requirements and information:

1. All bidders shall certify the minimum, if not exact, percentage of post-consumer materials in products, materials, goods, or supplies offered or sold. (Public Contract Code 22152)

*(cf. 3510 - Green School Operations)*

2. All bids for construction work shall be presented under sealed cover and shall be accompanied by one of the following forms of bidder's security: (Public Contract Code 20107, 20111)
  - a. Cash
  - b. A cashier's check made payable to the district
  - c. A certified check made payable to the district
  - d. A bidder's bond executed by an admitted surety insurer and made payable to the district

The security of unsuccessful bidders shall be returned in a reasonable period of time, but in no event later than 60 days after the bid is awarded. (Public Contract Code 20111)

3. When a standardized proposal form is provided by the district, bids not presented on the standard form shall be disregarded. (Public Contract Code 20111.5)
4. Bids shall not be accepted after the advertised bid opening time, regardless of whether the bids are actually opened at that time. (Public Contract Code 20112)
5. When two or more identical lowest or highest bids are received, the Board of Trustees may determine by lot which bid shall be accepted. (Public Contract Code 20117)

**BIDS** (continued)

6. If the district requires that the bid include prices for items that may be added to or deducted from the scope of work in the contract, the bid solicitation shall specify which one of the following methods will be used to determine the lowest bid. In the absence of such a specification, only the method provided in item #a below shall be used. (Public Contract Code 20103.8)
  - a. The lowest bid shall be the lowest total of the bid prices on the base contract without consideration of the prices on the additive or deductive items.
  - b. The lowest bid shall be the lowest total of the bid prices on the base contract and those additive or deductive items that were specifically identified in the bid solicitation as being used for the purpose of determining the lowest bid price.
  - c. The lowest bid shall be the lowest total of the bid prices on the base contract and those additive or deductive items that, when taken in order from a specifically identified list of those items in the solicitation, and added to or subtracted from the base contract, are less than or equal to a funding amount publicly disclosed by the district before the first bid is opened.

The lowest bid shall be determined in a manner that prevents any information that would identify any of the bidders or proposed subcontractors or suppliers from being revealed to the district before the ranking of all bidders from lowest to highest has been determined. (Public Contract Code 20103.8)

7. Any subsequent change or alteration of a contract shall be governed by the provisions of Public Contract Code 20118.4.
8. After being opened, all submitted bids become public records pursuant to Government Code 6252 and shall be made available for public review pursuant to law, Board policy, and administrative regulation.

*(cf. 1340 - Access to District Records)*

9. When a bid is disqualified as nonresponsive based on district investigation or other information not obtained from the submitted bid, the Superintendent or designee shall notify the bidder and give him/her an opportunity to respond to the information.

**Prequalification Procedure**

When required by law or the Board, each prospective bidder shall complete and submit a standardized questionnaire and financial statement. For this purpose, the Superintendent or

**BIDS** (continued)

designee shall provide a standardized proposal form which requires a complete statement of the bidder's financial ability and experience in performing public works. The bidder's information shall be verified under oath in the manner in which civil law pleadings are verified. The questionnaires and financial statements shall not be public records and shall not be open to public inspection. (Public Contract Code 20111.5, 20111.6)

Prospective bidders shall submit the questionnaire and financial statement at least five days before the date fixed for public opening of sealed bids. (Public Contract Code 20111.5)

The Superintendent or designee shall establish a uniform system for rating bidders on the basis of completed questionnaires and financial statements in order to determine the size of contracts on which each bidder is qualified to bid. Bidders must be prequalified by the district at least one day before the fixed bid-opening date. (Public Contract Code 20111.5)

The district may establish a procedure for prequalifying bidders on a quarterly basis and may authorize that prequalification be considered valid for up to one calendar year following the date of the initial prequalification. (Public Contract Code 20111.5)

**Award of Contract**

The district shall award each contract to the lowest responsible bidder except in the following circumstances:

1. When the contract is for the procurement and/or maintenance of electronic data processing systems and supporting software, in which case the Board may contract with any one of the three lowest responsible bidders (Public Contract Code 20118.1)
2. For any transportation service contract involving an expenditure of more than \$10,000, which the Board contemplates may be made with a person or corporation other than a common carrier, municipally owned transit system, or a parent/guardian of students who are to be transported, in which case the Board may contract with other than the lowest bidder (Education Code 39802)
3. When the contract is one for which the Board has established goals and requirements relating to participation of minority, women, disabled veteran, or small business enterprises in accordance with Public Contract Code 2000-2002, in which case the Board may contract with the lowest responsible bidder who complies or makes a good faith effort to comply with the goals and requirements (Public Contract Code 2000-2002)

**BIDS** (continued)**Protests by Bidders**

A bidder may protest a bid award if he/she believes that the award is not in compliance with law, Board policy, or the bid specification. A protest must be filed in writing with the Superintendent or designee within five working days after receipt of notification of the contract award and shall include all documents supporting or justifying the protest. A bidder's failure to file the protest documents in a timely manner shall constitute a waiver of his/her right to protest the award of the contract.

The Superintendent or designee shall review the documents submitted with the bidder's claims and render a decision in writing within 30 working days. The Superintendent or designee may also convene a meeting with the bidder in order to attempt to resolve the problem.

The bidder may appeal the Superintendent or designee's decision to the Board. The Superintendent or designee shall provide reasonable notice to the bidder of the date and time for Board consideration of the protest. The Board's decision shall be final.

**Alternative Bid Procedures for Technological Supplies and Equipment**

Rather than seek competitive bids, the Board may use competitive negotiation when it makes a finding that a district procurement is for computers, software, telecommunications equipment, microwave equipment, or other related electronic equipment and apparatus. Competitive negotiation shall not be used to contract for construction or for the procurement of any product that is available in substantial quantities to the general public. (Public Contract Code 20118.2)

The competitive negotiation process shall include, but not be limited to, the following requirements: (Public Contract Code 20118.2)

1. The Superintendent or designee shall prepare a request for proposals (RFP) that shall be submitted to an adequate number of qualified sources, as determined by the district, to permit reasonable competition consistent with the nature and requirement of the procurement.
2. Notice of the RFP shall be published at least twice in a newspaper of general circulation, at least 10 days before the date for receipt of the proposals.
3. The Superintendent or designee shall make every effort to generate the maximum feasible number of proposals from qualified sources and shall make a finding to that effect before proceeding to negotiate if only a single response to the RFP is received.

**BIDS** (continued)

4. The RFP shall identify all significant evaluation factors, including price, and their relative importance.
5. The Superintendent or designee shall provide reasonable procedures for the technical evaluation of the RFPs received, the identification of qualified sources, and the selection for the award of the contract.
6. The Board shall award the contract to the qualified bidder whose proposal meets the evaluation standards and will be most advantageous to the district with price and all other factors considered.
7. If the Board does not award the contract to the bidder whose proposal contains the lowest price, then the Board shall make a finding setting forth the basis for the award.
8. The Board, at its discretion, may reject all proposals and request new RFPs.
9. Provisions in any contract concerning utilization of small business enterprises that are in accordance with the RFP shall not be subject to negotiation with the successful proposer.

**Sole Sourcing**

In any contract for the construction, alteration, or repair of school facilities, the Superintendent or designee shall not draft the bid specification in a manner that: (Public Contract Code 3400)

1. Directly or indirectly limits bidding to any one specific concern
2. Calls for a designated material, product, thing, or service by a specific brand or trade name, unless the specification is followed by the words "or equal," so that bidders may furnish any equal material, product, thing, or service

In any such case, the bid specification shall provide a time period, before and/or after the award of the contract, for the contractor to submit data substantiating the request for substituting the designated material, product, thing, or service. If no such time period is specified, the contractor may submit the data within 35 days after the award of the contract.

When the bid is for a roof project, a material, product, thing, or service is considered "equal" to that designated if it is equal in quality, durability, design, and appearance; will perform the intended function equally well; and conforms substantially to the detailed requirements in the bid specification. (Public Contract Code 3002)

**BIDS** (continued)

However, the Superintendent or designee may designate a specific material, product, thing, or service by brand or trade name (sole sourcing), if the Board has made a finding, described in the invitation for bids or RFP, that a particular material, product, thing, or service is designated for any of the following purposes: (Public Contract Code 3400)

1. To conduct a field test or experiment to determine its suitability for future use
2. To match others in use on a particular public improvement that has been completed or is in the course of completion
3. To obtain a necessary item that is only available from one source
4. To respond to the Board's declaration of an emergency, as long as the declaration has been approved by four-fifths of the Board when issuing the invitation for bid or RFP

*(cf. 9323.2 - Actions by the Board)*

**Bids Not Required**

Without advertising for bids and upon a determination that it is in the best interest of the district, the Board may authorize another public corporation or agency, by contract, lease, requisition, or purchase order, to lease data-processing equipment or to purchase materials, supplies, equipment, automotive vehicles, tractors, and other personal property for the district in the manner that the other public corporation or agency is authorized to make the leases or purchases from a vendor ("piggyback"). Alternatively, if the public corporation or agency has an existing contract with a vendor for the lease or purchase of personal property, the district may authorize the lease or purchase of personal property directly from the vendor and make payments under the same terms that are available to the public corporation or agency under the contract. (Public Contract Code 20118)

*(cf. 3300 - Expenditures and Purchases)*

In addition, upon a determination that it is in the best interest of the district and without advertising for bids, the Board may lease currently owned district property to any person, firm, or corporation for a minimum of \$1 per year, as long the lease requires the person, firm, or corporation to construct a building or buildings on the property for the district's use during the lease and the property and building(s) will vest in the district at the expiration of the lease ("lease-leaseback"). (Education Code 17406)

*(cf. 3280 - Sale or Lease of District-Owned Real Property)*

Without advertising for bids, the Board may enter into an energy service contract and any related facility ground lease, when it determines that the terms of the contract and lease are in

**BIDS** (continued)

the best interest of the district. The Board's determination shall be made at a regularly scheduled public hearing of which notice is given to the public at least two weeks in advance and shall be based on cost comparison findings specified in Government Code 4217.12. (Government Code 4217.12)

*(cf. 3510 - Green School Operations)*  
*(cf. 3511 - Energy and Water Management)*  
*(cf. 9320 - Meetings and Notices)*

Supplementary textbooks, library books, educational films, audiovisual materials, test materials, workbooks, instructional computer software packages, or periodicals may be purchased in any amount without taking estimates or advertising for bids. (Public Contract Code 20118.3)

*(cf. 6161.1 - Selection and Evaluation of Instructional Materials)*  
*(cf. 6161.11 - Supplementary Instructional Materials)*  
*(cf. 6163.1 - Library Media Centers)*

Perishable foodstuffs and seasonal commodities needed in the operations of cafeterias may be purchased through bid or on the open market. (Education Code 38083)

*(cf. 3551 - Food Service Operations/Cafeteria Fund)*

In an emergency when any repairs, alterations, work, or improvement to any school facility is necessary to permit the continuance of existing school classes or to avoid danger to life or property, the Board may, by unanimous vote and with the approval of the County Superintendent of Schools, contract for labor and materials or supplies without advertising for or inviting bids or may authorize the use of day labor or force account for the emergency purpose. (Public Contract Code 20113)

*(cf. 3517 - Facilities Inspection)*

Bids shall not be required for day labor under circumstances specified in Public Contract Code 20114. Day labor shall include the use of maintenance personnel employed on a permanent or temporary basis. (Public Contract Code 20114)

The district may purchase any surplus property from the federal government or any of its agencies in any quantity needed for the operation of its schools without taking estimates or advertising for bids. (Education Code 17602)

**CONTRACTS**

Whenever state law invests the Board of Trustees with the power to enter into contracts on behalf of the district, the Board may, by a majority vote, delegate this power to the Superintendent or designee. To be valid or to constitute an enforceable obligation against the district, all contracts must be approved and/or ratified by the Board. (Education Code 17604)

*(cf. 3300 - Expenditures and Purchases)*  
*(cf. 3314 - Payment for Goods and Services)*  
*(cf. 3400 - Management of District Assets/Accounts)*

All contracts between the district and outside agencies shall conform to standards required by law and shall be prepared under the direction of the Superintendent or designee.

*(cf. 2121- Superintendent's Contract)*  
*(cf. 4312.1 - Contracts)*  
*(cf. 9124 - Attorney)*

When required by law, contracts and subcontracts made by the district for public works or for goods or services shall contain a nondiscrimination clause prohibiting discrimination by contractors or subcontractors. The nondiscrimination clause shall contain a provision requiring contractors and subcontractors to give written notice of their obligations to labor organizations with which they have a collective bargaining or other agreement. (Government Code 12990)

*(cf. 0410 - Nondiscrimination in District Programs and Activities)*

The district shall not enter into a contract that prohibits a school employee from disparaging the goods or services of the contracting party. (Education Code 35182.5)

**Contracts for Non-Nutritious Foods or Beverages**

Effective July 1, 2007, the district or a district school shall not enter into or renew a contract for the sale of foods that do not meet the nutritional standards specified in Education Code 49431 or 49431.2 unless the contract specifies that such sales will occur later than one-half hour after the end of the school day and/or off school premises. (Education Code 49431, 49431.2)

*(cf. 3554 - Other Food Sales)*

In accordance with the dates specified in law, the district or a district school shall not enter into or renew a contract for the sale of beverages that do not meet the nutritional standards in Education Code 49431.5 unless the contract specifies that such sales will occur later than one-half hour after the end of the school day and/or off school premises.

Before the district or a district school enters into or renews a contract that grants exclusive or nonexclusive advertising or sale of carbonated beverages, non-nutritious beverages, or non-

**CONTRACTS** (continued)

nutritious food as defined in law, the Board shall ensure that the district has sufficient internal controls in place to protect the integrity of public funds and to ensure that funds raised as a result of the contract benefit public education. (Education Code 35182.5)

The Superintendent or designee shall develop the district's internal control procedures to protect the integrity of public funds. Such internal controls may include but not be limited to the following:

1. Control procedures that produce accurate and reliable financial statements and, at the same time, safeguard the assets, financial resources, and integrity of every employee responsible for handling money or property. Control systems shall be systematically evaluated and revised to keep pace with the changing responsibilities of management.

*(cf. 3100 - Budget)*

*(cf. 3400 - Management of District Assets/Accounts)*

*(cf. 3460 - Financial Reports and Accountability)*

2. Procedures to ensure that district personnel do not handle cash or product at the school site. The contract shall specify that the vendor stock the machines and shall provide cash accounting, along with a check, for district proceeds directly to the control office.

In addition, the contract may specify whether contractor logos are permitted on district facilities, including but not limited to scoreboards and other equipment. All expense reimbursement claims shall be submitted on a district form, within 10 working days following return from travel when possible. The form shall be accompanied by receipts and any explanation necessary to document that the expenses meet district criteria for reimbursement.

The Superintendent or designee shall approve expense claims only upon verifying that all necessary documentation is provided and that all expenses are appropriate and related to district business. If an expense claim is disallowed due to lack of documentation or inappropriate expenses, the employee may be personally responsible for any improper costs incurred.

When approved by the Superintendent or designee, an employee may be issued a district credit card for use while on authorized district business. Receipts documenting the expenses incurred on a district credit card shall be submitted promptly following return from travel. Under no circumstances shall personal expenses be charged on a district credit card, even if the employee intends to subsequently reimburse the district for the personal charges.

**Interim Reports**

Each interim fiscal report developed pursuant to Education Code 42130 shall include an assessment of the district budget as revised to reflect current information regarding the adopted state budget, district property tax revenues, if any, and ending balances for the preceding fiscal year. The report shall be based on State Board of Education (SBE) criteria and standards which address fund and cash balances, reserves, deficit spending, estimation of average daily attendance (ADA), projected enrollment, ratio of ADA to enrollment, projected revenue limit, salaries and benefits, other revenues and expenditures, and facilities maintenance. (Education Code 33128.3, 42130; 5 CCR 15453-15464)

The report shall also provide supplemental information regarding contingent liabilities, use of one-time revenues for ongoing expenditures, contingent revenues, contributions (i.e., projected contributions from unrestricted general fund resources to restricted general fund resources, projected transfers to or from the general fund to cover operating deficits in the general fund or any other fund, and capital project cost overruns that may impact the general fund budget), long-term commitments, unfunded liabilities, temporary interfund borrowings, the status of labor agreements, and the status of other funds. The audit shall include an audit of income and expenditures by source of funds for all funds of the district, including the student body and cafeteria funds and accounts and any other funds under the control or jurisdiction of the district, as well as an audit of student attendance procedures. **FINANCIAL REPORTS AND ACCOUNTABILITY** (continued)

If the district participates in the school district of choice program to accept interdistrict transfers, the Superintendent or designee shall notify the auditor, prior to the commencement of the audit, that the audit must include a review of the district's compliance with specified program requirements. (Education Code 48301)

*(cf. 5117 - Interdistrict Attendance)*

When required by federal law, specified records pertaining to the audit of federal funds received and expended by the district shall be transmitted to the federal clearinghouse designated by the federal Office of Management and Budget and shall be made available for public inspection. Such records shall be transmitted within 30 days after receipt of the auditor's report or within nine months after the end of the fiscal year, whichever is sooner, unless a longer period is agreed to in advance by the federal agency or a different period is specified in a program-specific audit guide. (31 USC 7502)

If an audit finding results in the district being required to repay an apportionment or pay a penalty, the district may appeal the finding to the Education Audit Appeals Panel by making an informal summary appeal within 30 days of receiving the final audit report or initiating a formal appeal within 60 days of receiving the report. (Education Code 41344, 41344.1)

While a public accounting firm is performing the audit of the district, it shall not provide any nonauditing, management, or other consulting services for the district except as provided in Government Auditing Standards, Amendment #3, published by the U.S. Government Accountability Office. (Education Code 41020)

**FINANCIAL REPORTS AND ACCOUNTABILITY (continued)**

4. Assigned fund balance, including amounts which the Board or its designee intends to use for a specific purpose
5. Unassigned fund balance, including amounts that are available for any purpose

**Negative Balance Report**

Whenever the district reports a negative unrestricted fund balance or a negative cash balance in its annual budget or annual audit report, it shall include in the budget a statement that identifies the reasons for the negative unrestricted fund balance or negative cash balance and the steps that have been taken to ensure that the negative balance will not occur at the end of the current fiscal year. (Education Code 42127.5)

**Non-Voter-Approved Debt Report**

Upon approval by the Board to proceed with the issuance of revenue bonds or any agreement for financing school construction pursuant to Education Code 17170-17199.5, the Superintendent or designee shall notify the County Superintendent of Schools and the county auditor. The Superintendent or designee shall provide the Board, the County Auditor, the County Superintendent, and the public with related repayment schedules and evidence of the district's ability to repay the obligation. (Education Code 17150)

*(cf. 7214 - General Obligation Bonds)*

When the Board is considering the issuance of certificates of participation and other debt instruments that are secured by real property and do not require the approval of the voters of the district, the Superintendent or designee shall provide notice to the County Superintendent and County Auditor no later than 30 days before the Board's approval to proceed with issuance. The Superintendent or designee shall provide the Board, the County Auditor, the County Superintendent, and the public with information necessary to assess the anticipated effect of the debt issuance, including related repayment schedules, evidence of the district's ability to repay the obligation, and the issuance costs. (Education Code 17150.1)

**Other Postemployment Benefits Report (GASB 45)**

In accordance with GASB Statement 45, the district's financial statements shall report the annual expense of nonpension other postemployment benefits (OPEBs) on an accrual basis over retirees' active working lifetime, as determined by a qualified actuary procured by the Superintendent or designee. To the extent that these OPEBs are not prefunded, the district shall report a liability on its financial statements.

*(cf. 4154/4254/4354 - Health and Welfare Benefits)*  
*(cf. 9250 - Remuneration, Reimbursement and Other Benefits)*

**FINANCIAL REPORTS AND ACCOUNTABILITY (continued)**

The amount of the district's financial obligation for OPEBs shall be reevaluated every two or three years in accordance with GASB 45 depending on the number of members in the OPEB plan.

**Workers' Compensation Claims Report**

The Superintendent or designee shall annually provide the Board, at a public meeting, information and related actuarial reports showing the estimated accrued but unfunded cost of workers' compensation claims. The estimate of costs shall be based on an actuarial report completed at least every three years by a qualified actuary. (Education Code 42141)
