

TEMPORARY/SUBSTITUTE PERSONNEL

The Board of Trustees recognizes that substitute and temporary personnel perform an essential role in promoting student achievement and desires to employ highly qualified, appropriately credentialed employees to fill such positions.

(cf. 4112.2 - Certification)

Hiring

The Superintendent or designee shall recommend candidates for substitute or temporary positions for Board approval, and shall ensure that all substitute and temporary employees are assigned in accordance with law and the authorizations specified in their credential.

(cf. 4113 - Assignment)

Substitute personnel may be employed on an on-call, day-to-day basis.

In addition, after September 1 of any school year, the Board may employ substitute personnel for the remainder of the school year for positions for which no regular employee is available. The district shall first demonstrate to the Commission on Teacher Credentialing the inability to acquire the services of a qualified regular employee. (Education Code 44917)

(cf. 4117.14/4317.14 - Postretirement Employment)

Permanent or probationary certificated employees who were laid off pursuant to Education Code 44955 and who have a preferred right of reappointment shall be given priority for substitute service in the order of their original employment. (Education Code 44956, 44957)

(cf. 4117.3 - Personnel Reduction)

Classification

At the time of initial employment and each July thereafter, the Board shall classify substitute and temporary employees as such. (Education Code 44915, 44916)

The Board may classify as substitute personnel a teacher hired to fill the position of a regularly employed person who is absent from service. (Education Code 44917)

The Board may classify as a temporary employee a teacher who is employed for at least one semester and up to one complete school year based on the need for additional certificated employees when regular employees are absent due to leaves or long-term illness. Any person whose service begins in the second semester and before March 15 may be classified as a temporary employee even if employed for less than a semester. The Board shall determine the number of persons who shall be so employed, which shall not exceed the identified need based on the absence of regular employees. (Education Code 44920)

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

The Board also shall classify as temporary employees those certificated persons, other than substitute employees, who are employed to:

1. Serve from day-to-day during the first three months of any school term to teach temporary classes which shall not exist after that time, or perform any other duties which do not last longer than the first three months of any school term (Education Code 44919)
2. Teach in special day and evening classes for adults or in schools of migratory population for not more than four months of any school term (Education Code 44919)
3. Serve in a limited assignment supervising student athletic activities provided such assignments have first been made available to teachers presently employed in the district (Education Code 44919)

(cf. 4127/4227/4327 - Temporary Athletic Team Coaches)

4. Serve in a position for a period not to exceed 20 working days in order to prevent the stoppage of district business during an emergency when persons are not immediately available for probationary classification (Education Code 44919)
5. Serve only for the first semester because the district expects a reduction in student enrollment during the second semester due to midyear graduations (Education Code 44921)

For purposes of classifying employees pursuant to item #1 or 2 above, the school year shall not be divided into more than two school terms. (Education Code 44919)

Any employee hired to provide services in a categorically funded program or project may be employed for a period less than a full school year. He/she may be classified as a temporary employee if the period of employment will end at the expiration of that program or project. (Education Code 44909)

Salary and Benefits

The Board shall adopt and make public a salary schedule setting the daily or pay period rate(s) for substitute employees for all categories or classes of certificated employees of the district. (Education Code 44977, 45030)

Temporary employees shall participate in the health and welfare plans or other fringe benefits of the district.

(cf. 4140/4240/4340 - Bargaining Units)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

Release from Employment/Dismissal

The Board may dismiss a substitute employee at any time at its discretion. (Education Code 44953)

The Board may release a temporary employee at its discretion if the employee has served less than 75 percent of the number of days the regular schools of the district are maintained. After serving 75 percent of the number of days that district schools are maintained during one school year, a temporary employee may be released as long as he/she is notified, before the last day of June, of the district's decision not to reelect him/her for the following school year. (Education Code 37200, 44954)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Reemployment as a Probationary Employee

Unless released from employment pursuant to Education Code 44954, any person employed for one complete school year as a temporary employee shall, if reemployed for the following school year in a vacant position requiring certification qualifications, be classified as a probationary employee. With the exception of on-call, day-to-day substitutes, if a temporary or substitute employee performs the duties normally required of certificated employees for at least 75 percent of the number of days the regular schools of the district were maintained in that school year and is then employed as a probationary employee for the following school year, his/her previous employment as a temporary or substitute employee shall be credited as one year's employment as a probationary employee for purposes of acquiring permanent status. (Education Code 44917, 44918, 44920)

(cf. 4116 - Probationary/Permanent Status)

Vacant position means a position in which the employee is qualified to serve and which is not filled by a permanent or probationary employee. It shall not include a position which would be filled by a permanent or probationary employee except for the fact that such employee is on leave. (Education Code 44920, 44921)

A temporary employee hired pursuant to item #1 or #2 in the section "Classification" above shall be classified as a probationary employee if the duties continue beyond the time limits of the assignment. (Education Code 44919)

A person employed pursuant to item #5 in the section "Classification" above who is then continued in employment beyond the first semester shall be classified as a probationary employee for the entire school year and shall be reemployed to fill any vacant positions in the district for which he/she is certified. Preference for available positions shall be determined by the Board as prescribed by Education Code 44845 and 44846. (Education Code 44921)

TEMPORARY/SUBSTITUTE PERSONNEL (continued)

With the exception of on-call, day-to-day substitutes, a temporary or substitute employee who was released pursuant to Education Code 44954 but who has nevertheless served for two consecutive school years, for at least 75 percent of each year, shall receive first priority if the district fills a vacant position for the subsequent school year at the grade level at which the employee served during either year. In the case of a departmentalized program, the employee shall have taught the subject matter in which the vacant position occurs. (Education Code 44918)

TEMPORARY ATHLETIC TEAM COACHES

The Board of Trustees desires to employ highly qualified coaches for the district's sports and interscholastic athletic programs in order to enhance the knowledge, skills, motivation, and safety of student athletes.

(cf. 6142.7 - Physical Education and Activity)

(cf. 6145.2 - Athletic Competition)

The Superintendent or designee may employ a certificated or noncertificated employee, other than a substitute employee, to supervise or instruct interscholastic athletic activities as a temporary employee in a limited assignment capacity. (5 CCR 5590)

(cf. 4121 - Temporary/Substitute Personnel)

When hiring a person to fill a position as a temporary athletic team coach, the position shall first be made available to qualified certificated teachers currently employed by the district. (Education Code 44919)

All coaches shall be subject to Board policies, administrative regulations, and California Interscholastic Federation bylaws and codes of ethical conduct.

(cf. 4118 - Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

(cf. 5131.1 - Bus Conduct)

(cf. 5131.63 - Steroids)

Noncertificated coaches have no authority to give grades to students. (5 CCR 5591)

(cf. 5121 - Grades/Evaluation of Student Achievement)

Qualifications

The Superintendent or designee shall establish qualification criteria for all athletic coaches in accordance with law and district standards. These criteria shall ensure that coaches possess an appropriate level of competence, knowledge, and skill.

Note: Effective July 9, 2010, AB 346 (Ch. 52, Statutes of 2010) amended Education Code 49024 to require any noncertificated employee or any volunteer who works with students in a district-sponsored student activity program such as an interscholastic athletic program to obtain an Activity Supervisor Clearance Certificate (ASCC) from the Commission on Teacher Credentialing, unless the district requires the candidate to clear a Department of Justice (DOJ) and Federal Bureau of Investigation (FBI) criminal background check prior to beginning the paid or volunteer duties; see BP/AR 1240 - Volunteer Assistance. This legislation was introduced in response to legislation passed in 2009 (AB 1025, Ch. 379, Statutes of 2009) which had required noncertificated personnel or volunteers who "supervise, direct, or coach the activity" to obtain an ASCC.

TEMPORARY ATHLETIC TEAM COACHES (continued)

Thus, the Governing Board may choose whether to require a temporary athletic team coach to obtain the ASCC (Option 1 below) and/or to obtain a DOJ/FBI criminal background check (Option 2 below). The Board may select either one of the options below, combine them to allow an individual to obtain either the ASCC or DOJ/FBI check at the individual's discretion, or to apply different requirements to different positions in the district (e.g., head coaches vs. assistant coaches; employees vs. volunteers).

In addition, AB 346 amended Education Code 45125.01 to allow multiple districts within a county or within contiguous counties to share criminal record information of noncertificated employees and volunteers working in a student activity program; see AR 4112.62/4212.62/4312.62 - Maintenance of Criminal Offender Records.

OPTION 1: Any noncertificated employee or volunteer who works with students in a district-sponsored interscholastic athletic program shall, prior to beginning his/her duties, possess an Activity Supervisor Clearance Certificate issued by the Commission on Teacher Credentialing. (Education Code 49024)

An individual who obtained both a Department of Justice and Federal Bureau of Investigation criminal background clearance through the district prior to July 9, 2010 shall have satisfied this requirement. (Education Code 49024)

OPTION 2: Any noncertificated employee or volunteer who works with students in a district-sponsored interscholastic athletic program shall, prior to beginning his/her duties, obtain a Department of Justice and Federal Bureau of Investigation criminal background check through the district. (Education Code 49024)

An individual who possesses a current Activity Supervisor Clearance Certificate from the Commission on Teacher Credentialing, issued prior to July 9, 2010, shall have satisfied district requirements for the criminal background check. (Education Code 49024)

BEGINNING TEACHER SUPPORT/INDUCTION

Cautionary Notice: AB 97 (Ch. 47, Statutes of 2013) repealed Education Code 42605, which provided temporary flexibility for specified "Tier 3" categorical programs, and instead redirects the funding for those categorical programs into the Local Control Funding Formula (LCFF) (Education Code 42238.01-42251). The supplemental and concentration grant portions of the LCFF may be used for any schoolwide or districtwide educational purpose in accordance with state regulations to be adopted by January 31, 2014, with a goal of increasing or improving services for English learners, foster youth, and students eligible for free and reduced-price meals. Certain requirements related to Tier 3 categorical program(s) in the following policy or regulation are no longer applicable.

The Board of Trustees recognizes that intensive professional development and support will help beginning teachers apply their academic preparation more effectively in the classroom and result in greater district retention of capable beginning teachers. The Superintendent or designee shall ensure that first- and second-year teachers receive guidance to help them make an effective transition into the teaching profession.

(cf. 4131 - Staff Development)

The Superintendent or designee shall inform beginning teachers about induction programs that are available to help them fulfill the requirements of the professional clear multiple- or single-subject teaching credential pursuant to Education Code 44259.

The Superintendent or designee, with input from the participating teacher, shall pair each participating teacher with a support provider who is an experienced teacher, knowledgeable about beginning teacher development and needed competencies, and effective in interpersonal and communication skills. The roles and responsibilities of support providers shall be clearly defined in writing and communicated to all program participants.

(cf. 4138 - Mentor Teachers)

The Superintendent or designee shall provide initial preparation and additional professional development for support providers to enable them to acquire and enhance their knowledge and skills needed to work with beginning teachers.

BEGINNING TEACHER SUPPORT/INDUCTION (continued)

Professional development provided to a beginning teacher shall be based on an individual induction plan which takes into consideration the teacher's prior preparation and experience.

Subject to verification and approval of the Superintendent or designee, a beginning teacher shall not be required to demonstrate that a competency has been met, nor complete a program element designed to assist beginning teachers in meeting that competency, if he/she previously met the competency while participating in a CTC-approved teacher preparation program. (Education Code 44279.1)

The beginning teacher's knowledge and classroom practice shall be regularly assessed using multiple measures and the results shall be used to monitor and revise subsequent individual induction plans. The Superintendent or designee shall maintain a complete record of each participating teacher's participation and progress toward completion of professional credential requirements.

Performance assessments conducted as part of the induction program shall not be used for employment-related evaluations, as a condition of employment, or as a basis of terminating employment. (Education Code 44279.1)

The Board recognizes that advance planning is necessary to ensure that students receive the education to which they are entitled in the event of a work slowdown, sickout, strike, or other concerted activity by employees. The Superintendent or designee shall develop a written plan which shall include strategies for the provision of internal and external communications, preservation of student and staff safety, maintenance of district operations, and appropriate student instruction and supervision during a work slowdown or stoppage.

(cf. 0450 - Comprehensive Safety Plan)
(cf. 1100 - Communications with the Public)

Employees should be held accountable for their behavior during any labor dispute. The district may take disciplinary action against any employee who engages in an unlawful concerted action or in unlawful behavior in an otherwise protected activity, taking into account the seriousness of the behavior and the district's efforts to rebuild relations following the withholding of services by employees.
